

Learning Recovery & Extended Learning Plan

District Name:	EASTERN LOCAL SCHOOL DISTRICT
District Address:	50008 STATE ROUTE 681, REEDSVILLE, OH 45772
District Contact:	STEVE OHLINGER, SUPERINTENDENT
District IRN:	048512

On February 9, 2021, Governor DeWine asked schools and districts to work with their communities and educational stakeholders to help students continue to advance academically and to make up for any learning that may have been lost or delayed due to the coronavirus pandemic and related disruptions.

“This once-in-a-lifetime pandemic has impacted all of us, so it should be no surprise that it has impacted our children. But we should not panic, nor should we be surprised by the results of assessments,” said Governor DeWine. “Instead, we should do what Ohioans have always done when facing a challenge – stay calm, roll up our sleeves, and work to solve the problem.”

Governor DeWine has requested that schools and districts design plans that address learning recovery and extended learning opportunities to meet the needs of students that could include, but are not limited to, extending the current school year, beginning the new year early, extending the school day or instituting summer programs, tutoring, remote options, and other remedial or supplemental activities.

Plans should address, but are not limited to, the following key components:

- **Impacted Students:** How will schools and districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations)?
- **Needs Assessment:** How will schools and districts identify the needs of those students?
- **Resources and Budget:** What resources are available to address those needs? Generally, what is the budget for the plan?
- **Approaches:** What approaches can best be deployed to address those needs? (This may include approaches such as ending the school year later than scheduled, beginning the new year early, extending the school day, summer programs, tutoring, and remote options.)
- **Partnerships:** Which local and regional partners (such as Educational Service Centers, Information Technology Centers, libraries, museums, after-school programs, or civic organizations) can schools and districts engage in supporting student needs?
- **Alignment:** How can this plan reinforce and align to other district or school plans? This may include but is not limited to Student Wellness and Success Fund plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans.

Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners including their Educational Service Center and other regional and community-based partners. Each district or school should consider a wide range of representation and voices from district and community stakeholders in planning for learning recovery and extended learning opportunities.

The governor asked schools and districts to provide their plans to the public and General Assembly no later than April 1.

Learning Recovery & Extended Learning Plan

This template has been designed to assist districts in meeting and exceeding this requirement and in supporting their long-term instructional planning efforts. Please refer to the [Planning Support Document](#) at the end of this template for guiding questions and resources.

Questions, comments and concerns can be emailed to: ExtendedLearning@education.ohio.gov

[ODE's Planning for Extended Learning FAQ's](#)

Identifying Academic Needs		
Impacted Students:	<i>How will schools/districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations including but not limited to disengaged students)?</i>	
Considerations:	<ul style="list-style-type: none"> - Resources (Existing and Needed) - Partnerships (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.) - Alignment (Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.) <ul style="list-style-type: none"> - Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust) - Core Questions to Consider: <ul style="list-style-type: none"> - What do students need to know? - How do we know if they've learned it? - How do we intervene for those students who have not learned it? - How do extend other opportunities for those who have learned it? 	Budget
Spring 2021	<ul style="list-style-type: none"> • Our district has established a robust afterschool enrichment program to assist students who have struggled throughout the course of the school year – whether the students are fully remote or in a face-to-face learning setting. <ul style="list-style-type: none"> ○ Principals, in collaboration with teachers and school counselors, have identified students based upon unsuccessful completion of assignments, failing grades, etc. ○ Students attend after school programming for at least one-hour for up to four days per week to assist with bridging the learning gaps caused by the COVID-19 pandemic 	\$24,123

Learning Recovery & Extended Learning Plan

Summer 2021	<ul style="list-style-type: none"> • Each building principal, in collaboration with school counselors and teachers, will develop a list of students who will benefit most by participating in our Summer 2021 programming • Criteria to be utilized: <ul style="list-style-type: none"> ○ Failure of a course(s) ○ Incomplete assignments during remote learning and/or face-to-face instructional models ○ Lack of student engagement in either remote learning and/or face-to-face instructional models ○ End of Course assessment results ○ Formative Assessment results • Teachers will focus on the Ohio Learning Standards that are needed to enable the students to being successful at the next grade level – students not exhibiting mastery of these learning standards may be considered for summer programming depending upon the degree of deficiency(ies). • High school students who are credit deficient toward earning a diploma will be a critical focus at the secondary level. 	\$167,000
2021 – 2022	<ul style="list-style-type: none"> • Continuation of the afterschool intervention programs to those students continuing to be identified with learning gaps • Continuation of the Summer School programming as outlined above 	\$192,000 (which is a sum total of both afterschool intervention and summer school programming)

Learning Recovery & Extended Learning Plan

2022 - 2023	<ul style="list-style-type: none"> Continuation of the afterschool intervention programs to those students continuing to be identified with learning gaps Continuation of the Summer School programming as outlined above 	<p>\$192,000</p> <p>(which is a sum total of both afterschool intervention and summer school programming)</p>
--------------------	---	---

Approaches to Address Academic Gap Filling

Approaches & Removing/Overcoming Barriers	<p><i>What approaches will schools/districts use to fill learning needs identified above?</i></p> <p><i>What steps will be taken to remove/overcome barriers that may be associated with the “Gap Filling Approaches” (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?</i></p>	
<p>Considerations:</p> <ul style="list-style-type: none"> Resources (Existing and Needed) Partnerships (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.) Alignment (Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.) <ul style="list-style-type: none"> Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust) Core Questions to Consider: <ul style="list-style-type: none"> What do students need to know? How do we know if they've learned it? How do we intervene for those students who have not learned it? How do we extend other opportunities for those who have learned it? 		<p>Budget</p>
Spring 2021	<ul style="list-style-type: none"> All three (3) of our district schools have established an after school intervention program for students who have been unsuccessful at either the remote learning and/or the face-to-face instructional models of instruction. Principals have contacted parents of students teachers have identified as at-risk of successful completion at their current grade level to encourage students to attend afterschool intervention. 	<p>Included in previously stated budgetary dollar amounts</p>

Learning Recovery & Extended Learning Plan

	<ul style="list-style-type: none"> Funding will be provided through ESSER I and II dollars that have been allocated to our district. 	
Summer 2021	<ul style="list-style-type: none"> Transportation will be provided, by district transportation to those students who identify transportation as being an obstacle in participating in our summer school programming. District food service personnel will be providing both a breakfast and lunch to all participants. By providing meals to students helps to alleviate summer food insecurity issues of a portion of our student population. Funding will be provided through the ESSER I and II dollars that have been allocated to our district. 	<p>Included in previously stated budgetary dollar amounts</p>
2021 – 2022	<ul style="list-style-type: none"> Continuation of the afterschool intervention programs to those students continuing to be identified with learning gaps Continuation of the Summer School programming as outlined above 	<p>\$192,000</p> <p>(which is a sum total of both afterschool intervention and summer school programming)</p>
2022 – 2023	<ul style="list-style-type: none"> Continuation of the afterschool intervention programs to those students continuing to be identified with learning gaps Continuation of the Summer School programming as outlined above 	<p>\$192,000</p> <p>(which is a sum total of both afterschool intervention and summer school programming)</p>

PLANNING SUPPORT DOCUMENT

As stated by ODE, this is not a one-size-fits-all exercise. Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners. The template above has been designed to be as adaptable as possible given the wide range of district experiences and needs. The pages below in the Planning Support Document are designed to assist districts as they think through the nuances that may be significant to their respective district. Educational Service Centers are here to support. Some schools and districts may choose to have similar plans to facilitate effective implementation. ESCs may be able to provide coordination for such collaborative approaches. The following planning support document is provided to assist teams in thinking through the planning process. Additionally, rather than an exhaustive list of resources that quickly becomes overwhelming and outdated, a few key elements have been provided to assist in planning. Districts may also want to consult ODE's [Reset and Restart](#) website and planning guide. Additional planning resources are also available at <http://reframingeducation.org/>. This decision-making framework was developed by Ohio's network of ESCs to assist districts in having authentic conversations about instructional expectations and making plans to reframe education moving forward; we encourage districts to reach out to their ESCs for additional support as needed.

ACADEMIC PLANNING

Learning Recovery & Extended Learning Plan

<p>Determining Academic Needs</p>	<p>How will instructional needs be determined?</p> <p>Possible/Optional item(s) to consider:</p> <ul style="list-style-type: none"> • Performance on tests (e.g., district assessments, statewide tests, ACTs, etc.); (Districts will not have statewide achievement data until after the end of the school year and may need to identify assessment tools to identify gaps.) • How will districts determine impacted/vulnerable populations? • How will districts/schools combat barriers for disengaged students? • What opportunities were missed due to the inability to access programming? Can any of these opportunities be reinstated in the summer or next school year? (Districts are encouraged to consider this question through an equity lens for student populations-- Students with Disabilities, English Language Learners, Gifted Students, All Learners, etc.) • Access to key opportunities (e.g., advanced mathematics, physics, higher education, interventions, etc.) may have been lost due to the pandemic. • Attainment (e.g., high school diploma, college degree, employment) • What essential elements of determining instructional needs are already in place? • District MTSS Process and Universal Screeners • Use of/Alignment with the OIP/DLT/BLT/TBT process to determine; What do students need to know? How do we know if they've learned it? How do we intervene for those students who have not learned it? How do we extend other opportunities for those students who have learned it? • Gap Analysis for ELA, Math, Science, and Social Studies • Prioritize Literacy and Math • Prioritized Standards • Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc. • Rising Kindergarteners (These students have spent a significant portion of their life in a pandemic environment. What needs might they have as they enter Kindergarten in Fall 2021?)
<p>Filling Academic Gaps</p>	<p>How will academic gaps be filled?</p> <p>Possible/Optional item(s) to consider:</p> <ul style="list-style-type: none"> • Existing processes and supports • Partnerships (ESC, libraries, museums, after-school programs, civic organizations, pre-school providers, etc.) • MTSS processes • Effective district-wide/school-wide leadership teams focusing on achievement gaps • Data-based decision-making - How will achievement gaps be addressed in BLTs and TBTs? • Will measurable objectives be required? Or will these be supplemental offerings that the parent/guardian may choose to have their student participate in and benefit from? • What happens with students who do become proficient? • Triage plans for Seniors/Credit Recovery Options for HS • Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc.

Learning Recovery & Extended Learning Plan

	<ul style="list-style-type: none"> Student Success Plans Personalized learning opportunities Clear instructional plans have been created with prioritized standards Clear instructional plans have been communicated with staff, parents, and other stakeholders Cross grade-level communication Coordination with relevant partners to support Literacy, Math, and SEL - ESCs, tutors, etc. Who, When, How...Cohorts, Family PODs, Layout, and Delivery How do we ensure at-risk students are taking advantage of the opportunities? How can disengaged students be reengaged? How can ESC Family and Community Partnership Liaisons support this work with vulnerable student populations including but not limited to disengaged students? What steps will be taken to remove/overcome barriers that may be associated with the "Gap Filling Approaches" (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?
Determine Competency	<p>What method(s) will be used to determine competency for pandemic learning?</p> <p>Possible/Optional item(s) to consider:</p> <ul style="list-style-type: none"> Develop and communicate a plan for determining competency (grading and assessments, grade-level advancement) Develop and communicate a plan for promoting students vs. retention Consider equity of practices, long-term consequences, social/emotional factors
