Dear Parent/Guardians of Eastern Local Students:

Please refer to your child's student handbook for clarification of current harassment and bullying policy. Handbooks are available for viewing on the school websites. If you do not have internet access, please feel free to contact the school office to request a hard copy.

Also, please be aware to formally report incidents of harassment or alleged bullying there is a form available on the District website under Forms/Links, Community and Parent Information, Bullying Report Form. Copies are also available in each school office. Informal complaints can also be made by contacting your child's teacher and/or the school administrator.

It is vitally important that incidents are reported in an accurate and timely manner. If you are aware of harassment or bullying, please do not hesitate to contact the school to file an informal complaint or complete and submit the reporting form for a formal complaint.

Eastern Local School District takes your child's safety and well-being seriously. It is our intent to foster an environment that is free of harassment and bullying. With consistent communication and cooperation from all stakeholders, we can continue to build a strong educational community for all students.

Sincerely,

Eastern Local School District Administration
